

Inclement Weather Policy

We want to remind you of our Inclement Weather Policy. We follow the Rowan County School's decision on the closing or delay of school. If Rowan County cancels or dismisses school early, then South River Preschool will be canceled or dismissed early as well.

We have followed the Rowan County School System's decision for many years. The majority of our students live in the Rowan County district and it is easy for parents to find out about closings or delays from the many radio and TV stations with whom Rowan County Schools post their decision.

Parents, we ask you to use your judgment as to the safety of road conditions where you live. Sometimes road conditions vary in different areas so always be cautious. We would never want any of our Preschool families involved in an accident.

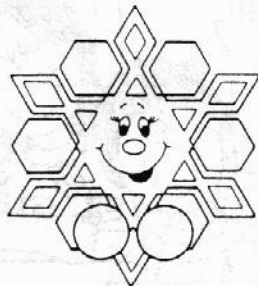

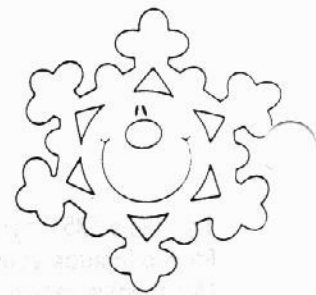

Our Policy on Delayed Start Times:

If Rowan County Schools are delayed one hour -
Preschool students may arrive at 9:15 AM.

If Rowan County Schools are delayed two hours -
Preschool students may arrive at 10:15 AM.

If Rowan County Schools are delayed three hours -
Preschool will be cancelled for the day.

All students should be picked up by 12:30 PM.

THANK YOU!
SOUTH RIVER PRESCHOOL
